Objective

To enhance student achievement through the creative application of technology in the classroom and in distance learning settings in a business or college environment.

Professional Experience

- 1996 to Present **Sinclair Community College** *Dayton, Ohio*
Classroom Instruction: Currently teaching several classes in Adobe Photoshop to students and seniors. Developed course syllabi, lesson plans, class exercises, quizzes and requirements for student projects.
Computer Graphics: Worked part time for Sinclair's Delta Lab using Adobe Photoshop, Macromedia Dreamweaver, Flash, Fireworks and Swish to create classroom enhancements and website designs (see links, above).
- 1996 to 1997 **Town & Country Fine Art Gallery** *Kettering, Ohio*
Artist/Co-owner: Created and displayed original works of art. Accepted private commissions for photomontages.
- 1992 to 1995 **Photograffiti** *Kettering, Ohio*
Sole Proprietor: Started free-lance graphics and design consultancy. Accepted private commissions for photomontages.
- 1979 to 1980 **Future HealthCare Research, Inc** *Kettering, Ohio*
Community Liaison: Defined and implemented position, represented company at health fairs, contacted new physicians, gave presentations to the public, networked with various community groups.

Education

- 1988 to 1990 **Wright State University** *Dayton, Ohio*
Bachelor of Arts, G.P.A. 3.6
Cupa Mead Scholarship (1989-1990)
- 1973 to 1974 **Medical Center at Princeton** *Princeton, New Jersey*
Licensed Practical Nurse
- 1970 to 1972 **Green Mountain College** *Poultney, Vermont*
Associate Degree in Fine Art, Dean's List
